This is the Time to Make Hall of Fame Nominations

Do you have a remarkable hound or person in mind to nominate for the Hall of Fame? This is how it works. All nominees – hounds and persons - must have been out of the sport for at least 5 years to be considered. Hound nominations are made through the ASFA clubs. Persons are nominated through the Regions. So, to nominate a hound, you will need to work through your club. To nominate a person, you will need to work with your Regional Director. The Hall of Fame Committee will select up to 5 nominated hounds and 3 nominated persons to present for consideration at the 2025 ACoD. The ACoD Delegates will then vote to induct 1 person and up to 3 hounds into the Hall of Fame for 2024. Direct all questions and all nominations to Michael Hussey at dinnree@skybeam.com.

The purpose of the ASFA Hall of Fame is to honor in perpetuity those hounds that have achieved outstanding performances or records in the sport of lure coursing. This fosters the continued remembrance of remarkable individual coursing careers and sets a high standard to help new hounds and owners achieve their goals.

The Hall of Fame shall also honor those individuals who have donated a great part of their life to improve and promote the sport of lure coursing for sighthounds. Since its inception, the sport of lure coursing has continually evolved. That evolution has taken place through the vision and energy of people who should be honored for their efforts on behalf of the sport. We shall endeavor to remember those individuals who have given their time and energy to make lure coursing what it is today. Their commitment serves as an inspiration to those who would, in turn, take the sport to greater heights.

The Hall of Fame was instituted in 1998. The 1998 Annual Convention of Delegates elected to the Hall of Fame the first Field Champion of each breed; the first Lure Courser of Merit of each breed; the first AKC conformation champion of each breed to become an ASFA Field Champion; the only three hounds to obtain the Grand Field Champion title; and the following people: Lyle Gillette, Tom Leone, Betz Leone and Gary Forrester. These hounds and individuals are the Charter members of the ASFA Hall of Fame.

Deadline for Submitting Nominations

The ASFA Hall of Fame nominations for the current year are now open and will remain open through January 31, 2025. They will be voted on at the 2025 Annual Convention of Delegates in March 2025.

Procedures for Nominations and the Nomination forms in pdf and WORD can be found on the ASFA website at <https://www.asfa.org/hof/index.htm> .

Gary Forrester Achievement Award Selection Committee Report Request for Nominations

by Michael Hussey - Committee Chair

This is a request for nominations for the Gary Forrester Achievement Award. The recipient of the award for 2024 will be announced at the 2025 ACoD. The nomination and selection processes are described below.

How and When to Nominate

Nominations should be sent to one of the committee members. Their names and email addresses are listed at the end of this report. Nominations must be received by January 15, 2025, for consideration at the 2025 ASFA ACoD. Please also include a writeup detailing the nominee's ASFA lure coursing contributions, and achievements.

Evaluating Nominees

The committee will give preference to people who have been active and involved with ASFA lure coursing for five years or more and who have made a long-lasting, significant, and positive impact on the sport and/or association. The committee will consider, but not be limited to, the following areas of involvement: a) lure field trial participation, b) judging, c) active leadership at the local level-clubs and trial activity, d) ASFA administration, e) promoting ASFA and the growth of the sport, f) improving the quality of trials, and g) exceptional performance or effort in any other area.

Ideally, the committee will name one recipient per year, but there may be good reasons for exceptions. It is possible there may be two or more equally deserving candidates or a team and naming one person might prove to be nearly impossible. Conversely, there may be a year when the committee cannot agree on any recipient.

A person who is not currently a member of the board or an active key committee chair will be given strong preference. This award should not appear to be an "in house" honor.

Selection Committee Process

An active committee of three people will make the choice rather autonomously. The committee members are chosen by the ASFA Board of Directors with consideration to selecting committee members that are spread evenly across the country. The committee chair is tasked with aggressively seeking nominations from the members of the board, from key committee chairs, and by request in the Communique.

The committee will review all nominees (maintaining a file of past nominees to be reviewed each year with the new nominations), make a choice, and then report the choice to both the winner and the board no later than January 31, 2025. This will allow the recipient time to arrange to attend the ACoD, if they wish to do so. ASFA will offer to cover the cost of convention registration fees (only) as a small incentive to encourage the recipient to attend.

All members of the committee must agree on the winner.

The committee chair will supply the ASFA webmaster and the person presenting the award at the ACoD with written information about the recipient, listing major accomplishments.

The 2025 ACoD Will Be Virtual

The ASFA Board has voted to hold a virtual ACoD on the weekend of March 22–23rd, 2025. The ASFA Board will meet virtually on March 20–21st.

The cost to attend the online ACoD will be \$45.00.

The ACoD Planning & Site Committee which consists of myself, Kathy Sanders and Sean McMichael will hold an online social gathering Friday evening prior to Saturday's meeting.

Cathy Sanderson has volunteered to set up our meeting via Zoom. She will distribute information prior to our meeting date.

We have begun looking for a location for the 2026 ACoD to accommodate the board meeting and upcoming board elections. It doesn't seem that anyone can fill Vickie Jacobs' shoes when it comes to her planning and organization skills, but we will continue to search for the most economical and practical location. Once a selection has been made, we will inform the Club Delegates and provide updates on the ASFA website, and ASFA Communique'.

Message from President Scott Hurlbert

November 2024

The lure coursing community continues to be strong and active. All you have to do is look at the results page on the website to see the number of hounds that have been running (American Sighthound Field Association - Records - Trial Results). The International Invitational was held at the Balloon Field in Indianola, Iowa. Other than some strong winds that swept through briefly, the weather cooperated and people and hounds had a wonderful time. You can find more about the results of the II here in another article but the runs were great. The fields and course plans were challenging and rewarded the hounds by giving them a taste of the chase (Rascally Rabbit!!). We have 2 more Regional Invitationals on the schedule, Region 4 in Vinita, Oklahoma on November 30th and Region 8 spanning 2 days on November 30th and December 1st in Littlestown, Pennsylvania. I expect great runs at both these locations. I applaud ORCA and UCBSC for stepping up to host these wonderful events. Get your entries in.

The Invitations Committee is reviewing lessons learned from this past II (as they do after every II) to improve the process and make it more balanced. While it is a bit of work to put on one of these events, it is amazing how the coursing community will step up when asked for help. So I am asking for help in planning the next 3 II's (2025, 2026, and 2027). Look at opportunities to host such great events. If you believe you have a location that could host such an event, but are concerned about hosting it yourself, reach out to your Regional Director or any board member and we can discuss how to make the event happen.

There is still a lot of coursing left in December and people like the year-end trials. Always adds to the fun of celebrating not only the season but the hounds and the people. There are all breed trials on Friday December 27 in Chino Hills, Ca hosted by OCRRC; December 28th and 29th in Sorento, IL, hosted by SASH; and 4 days of coursing in Littlestown,

PA hosted by UCBCS and Limestone, TN (Silken Windhound Specialties) hosted by GASM.

As you know, the board is working on enhancing our relationship with the American Kennel Club and we hope to have more information to present at the ACoD in March. Speaking of the ACoD, it will be a virtual ACoD to give clubs greater opportunities to participate. So be looking for further announcements. The board is also working on clarifying the specifications of the records program in pursuit of a new programmer. I know this to be of vital importance to the fancy, and it will be given the utmost attention. We continue to use the existing records program; while it meets our needs, there are a number of things that need to be updated and automated. If you have any questions, please feel free to reach out to me.

I hope you all have a wonderful holiday season and look forward to seeing you on the field.

Message From Past President Phil Fullam

Note - This is my opinion and not that of the organization or the Board. --Phil

Dear Members of the ASFA Community,

For over 50 years, ASFA has prided itself on being an organization that represents the entire lure coursing community. Our structure, which ensures that every member club has an equal voice in major decisions, has been the cornerstone of this representation. This commitment to inclusivity has allowed us to uphold our mission of serving the best interests of the fancy. However, times have changed, and we must adapt to continue fulfilling this mission.

The Board of Directors is composed of 6 individuals who represent the entire membership and ten regional directors representing their regional clubs. This structure helps ensure that ASFA listens to and acts for the benefit of the fancy. For the past several years the Board of Directors has met each quarter, utilizing a virtual format.

The increasing costs of travel, lodging, and hosting the Annual Convention of Delegates (ACoD) have made it increasingly difficult for many clubs to attend. The resulting decline in attendance threatens our ability to represent all member clubs and their diverse perspectives. This trend is not sustainable if we want to ensure that ASFA remains an organization that truly reflects the entire community it serves.

While the value of in-person interaction at the ACoD is undeniable, we must confront the reality that achieving broad attendance under the current format is becoming increasingly challenging. Venues that can accommodate our needs are growing scarce and expensive, while the financial burden on clubs and individual delegates continues to rise. If we do not take action, we risk losing the robust member representation that has been vital to our governance and decision-making processes.

Fortunately, there is a solution. The solution is to embrace a hybrid meeting format that combines the benefits of in-person engagement with the accessibility of virtual participation. During the COVID-19 pandemic, we successfully held two virtual ACoDs via Zoom. These meetings demonstrated that we can maintain strong attendance and effective communication while significantly reducing costs for clubs. This year's ACoD will also be held virtually, further underscoring our ability to adapt to modern technology.

A hybrid ACoD would provide the best of both worlds. Clubs located near the event venue could attend in person, fostering the camaraderie and direct interaction that enrich our community. At the same time, clubs that cannot afford to send a delegate could participate remotely, ensuring that all voices are heard, and that no club is left out due to financial or logistical constraints. This model would likely result in a smaller physical gathering, potentially lowering venue costs, while increasing overall participation.

We acknowledge that concerns have been raised about fairly pricing registration fees for a hybrid meeting. However, with careful planning and collaboration, we can develop a structure that balances affordability with the need to cover essential costs. The goal is to ensure access for all member clubs while maintaining the financial sustainability of the event.

By adopting a hybrid format, we can revitalize attendance, draw on a broader diversity of ideas and experiences, and reinforce our commitment to representing the entire lure coursing community. The success of ASFA depends on the active involvement of its members, and this approach provides a pathway to greater inclusion and engagement.

We urge you to support this initiative and help us chart a course for a more accessible and representative future. Together, we can ensure that ASFA continues to thrive as the voice of the fancy for generations to come.

Sincerely,
Phil Fullam

Perspective:

The Point Isn't Points

by John Parker - *Note - This is my opinion piece and not that of the ASFA organization.*

In sports we often hear coaches talk about “emphasizing the fundamentals” or “getting back to basics.” Perhaps that’s something we ought to consider in the sport of lure coursing. We could start by reviewing some of ASFA’s founding, fundamental principles that define the essence of the sport. The Statement of Purpose dedicates ASFA to the “. . . goal of preserving and further developing the natural beauty, grace, speed and coursing skill of the sighthound.”

The ASFA Constitution lists as the organization’s first objective “to promote and further the advancement of purebred sighthounds and to do all possible to bring their natural qualities to perfection” and as its third objective developing lure trials “. . . which will attempt to test their historical abilities by providing, as realistically as possible, a simulation of coursing.” Mentioned only once in these founding principles, and that dead last, is the subject of titles, referred to euphemistically as “appropriate certificates of recognition.”

Clearly, the point of lure coursing to the founders of our sport and ASFA was emphatically not points. It was the testing of sighthounds’ coursing abilities in a way that simulates open field coursing “as realistically as possible.” Titles were intended to be, at most, a relish or perhaps a side dish – not the main course. And rankings were not even a gleam in the eyes of the founders.

Yet the evidence mounts that the quest for points is in fact overtaking the testing of sighthounds on the field of competition as the *raison d’être* for a disappointing number of lure coursers. Read any account of a recent field trial, and it’s more likely than not that the emphasis is not the fact that the field was large or the course plan was a big, galloping one but that the entry was big and there were lots of points available. More and more clubs are running “dumbed down” course plans with few (if any) long straights, and on small fields. A judge friend who judges all over the country tells me that at least half the fields he sees are smaller than optimum for really testing hounds. Running small, boxy course plans on small fields neither demonstrates nor tests “the speed and coursing skill of the sighthound”, and only in the minds of the most self-delusional does such provide, “as realistically as possible, a simulation of coursing.”

Rarely, it seems these days, is a clamor heard for a big field or a large, open course plan – these features would seem to be quite irrelevant, or at least unimportant, when the focus is on the dogs’ running the two required courses of the day so as to tally the points and eye the next title or ranking. Can we add a point fodder dog or two so as to split flights and increase the points available seems to be the question on the minds of more exhibitors than whether the field or the course will test the dogs well and truly and make for a day of good sport.

Further evidence of this trend is a proposal one ASFA committee has been working on that calls for the adoption of even more, and easier, titles, apparently in an attempt to compete with the AKC's "no dog left behind/ a title for every dog" corporate marketing strategy which, sadly, seems to have been increasing its lure trial entries. It is already true in lure coursing that while every excellent dog has a title, not every dog that has a title is excellent; these buy-ins to the quest for titles at the expense of truly testing hounds will make it even more, and regrettably, universal.

The further the lure coursing community gets from the founding, fundamental principle of lure coursing that the objective is to test the coursing skills of sighthounds, the closer it gets to the dog show culture, in which the end-all and be-all is to "finish" the dog by getting some letters in front of its name, after which it will more likely than not be withdrawn from further competition. Accompanying this mindset is the baggage of politics, favoritism and judge-shopping that are part and parcel of the show world. Does anyone seriously contend that in such an atmosphere, the "the natural beauty, grace, speed and coursing skill of the sighthound" will flourish? The more the title tail wags the dog, the closer we come to this model.

We will better fulfill the founding objectives of lure coursing and ASFA if we return to the fundamental proposition that the sport should be, first and last, a test of "the speed and coursing skill of the sighthound," with points and titles having their intended place as a matter of side interest which come, or not, as a consequence of simply running our dogs and letting the chips (or points) fall where they may. To paraphrase Shakespeare, the sport's the thing, and we best serve the long term interests of sighthounds by keeping the sport, not points, front and center. – John Parker

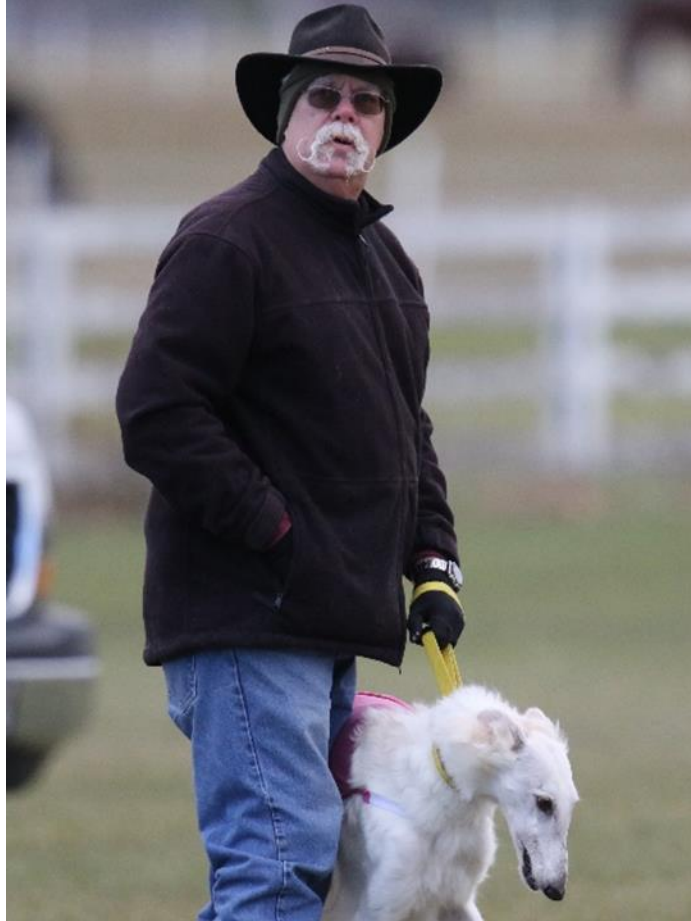

John Parker has been in lure coursing since 1995. He is the President of the Southeastern Greyhound Club, former ASFA Region 7 Director, and co-founder of the ASFA National Greyhound Specialty.

Author's Epilogue: *The above editorial was published a number of years ago in ASFA's print magazine, Field Advisory News (FAN). In the intervening years since its publication, the concerns expressed about the likely consequences of making points and titles the end-all and be-all of lure coursing have sadly come to pass.*

The ascendancy of the AKC lure coursing program and its taking a large part of ASFA's "market share" of the lure coursing fancy has been caused by one overriding factor: AKC's listing of AKC lure coursing titles, but not ASFA titles, on a sighthound's official pedigree. The increasing majority of lure coursers who give primacy to the quest for points and titles give little value to a title which does not show up on their dog's pedigree. AKC has achieved "product differentiation/product domination" over ASFA because it offers something ASFA cannot offer: titles shown on a pedigree.

ASFA will never reclaim its lost market share of the lure coursing fancy unless and until it has something to offer that the AKC program does not or cannot offer. Perhaps a return to ASFA's founding principles and a return to an emphasis on testing the "... grace, speed and coursing skill of the sighthound" will be the first step toward ASFA's product differentiation. – John Parker

MEMORIES OF A LURE COURSER

*by Sally MacDowell,
aka Borzoi Bob's Wife*

Robert E. Marciszewski, Borzoi Bob, died suddenly in the early morning of August 9, 2024.

Bob had an analyst's interest in a variety of things, both in and out of work. His career was in the field of Information Technology, from coding through Business Analysis. When the Borzoi came into his life Bob was captivated by their beauty and athletic ability. As a young man Bob played baseball, soccer, and lacrosse; and he played defense and goalie positions. His athletic experiences used and enhanced his abilities to observe and analyze. His analytical skills made him a valued judge at Lure Coursing trials all across the country.

Our first Borzoi was a badly bred female named Stardance, who was charming, amazingly empathetic, and short-lived. However, before I knew all that about her, I contacted Bonnie Dalzell, the breeder of Silkenswift Borzoi, so I could learn about the breed. Bonnie is passionate about keeping good health and the coursing abilities foremost in Borzoi. That led to obedience classes. Bob joined Stardance and me on that adventure, which led to Bonnie loaning Bob a young dog for the lessons. That young dog was G'Kar, who is now in the ASFA Hall of Fame. All of that led Bob and me to 26 years of Lure Coursing. G'Kar lived a normal Borzoi's lifespan, so Bob was on the Field many years after we had no running dogs.

On the field Bob was all about the dogs, especially the dog which was actually on the lure. Of course, initially he watched G'Kar in comparison with the other hounds on the field. This naturally led Bob to observe the actions of the Huntmasters, Lure Operators, and Judges.

Bob's first field position was Huntmaster, which he took very seriously. He understood that the Huntmaster is an extra set of eyes for the Lure Operator, a crucial element of safety for hounds running on the field. He also liked to speed-read the Huntmaster's instruction to exhibitors – and he did it every single doggone time! Some readers will have experienced this phenomenon.

When Bob allowed himself to step up to running the lure, he ran the lure for the dogs who were following it. He realized and practiced ways to keep the dogs safe and to evade cheating hounds who want to grab the lure. His goal was to keep the following dog on the lure and to understand when the hounds swapped roles. He was pleased to keep all the hounds interested in the whereabouts of the lure so that they all were participants in the hunt as they are supposed to be because they are sighthounds. Not all exhibitors

understood what he was doing and some actively hated it. However, many of Bob's peer group and other observant coursers appreciated what he did.

It was interesting to me to observe Bob's behavior as he moved through his stages of field crew. As Huntmaster and Lure Operator when our dogs were running he was interested in the Borzoi scores, but he took increasing interest in how all the hounds were handled and how the judges scored the hounds. He liked to have conversations about the running styles and behaviors of the various breeds. He was interested in how the lure operation influenced what the judges could see. For example, did the dog un-sight himself or was he dumped? How did the judge see it?

The last day before Borzoi Bob became an apprentice judge was the last day he went anywhere near the scoreboard. He no longer knew how the Borzoi ranked. He didn't look at the starting line except to observe the dogs as they took off. As much as humanly possible, Bob did not see who was running what dog. Of course, that was easier early in his career and when he was judging far from home. With that in his mind, however, he did his best to ignore the backstory and to be focused on Yellow, Pink, and Blue.

Borzoi Bob really liked the way lure trials brought the community together to enjoy each other's company; share knowledge; share meals and snacks with friends; and exchange jokes both good and bad. Bob's sense of humor was quick, complicated, and could be very much to the point. He appreciated the way you all understood and liked his collection of tee shirts, too.

The long coursing days bring the fun of various celebrations. One of our favorites was the reception-like party that Hanover threw for us when Bob and I got married in 2006. Audrey Silverstein and Carmen Day masterminded the whole thing and organized the lunch and cake. Many others brought food to share, and Bob and I brought toys for every dog who ran that day. The most repeated quote of the day was, "We thought you were already married!" Thanks, everybody.

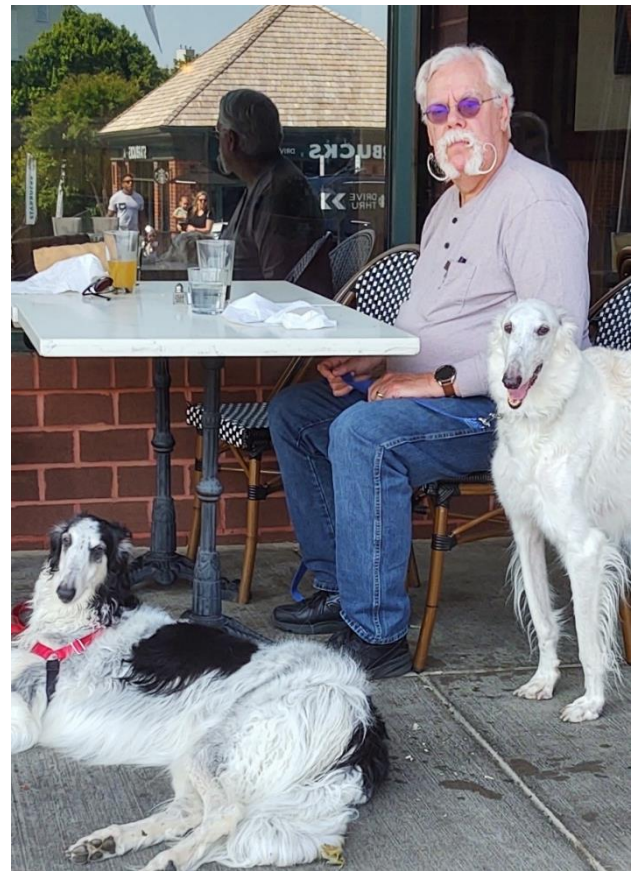

Raise a toast to Borzoi Bob and all our Hounds and Friends at the Rainbow Bridge:

**TALLY HO
RUN SAFE AND FREE**

--Sally MacDowell

Editor's Note:

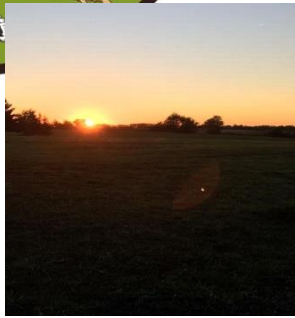

Between 2014 and 2023 Bob judged a total of 2119 dogs. Bob received the Leigh Littleton Award for judging 419 dogs in 2019. --Dean Wright

the 2024 International Invitational

Comments from President Scott Hurlbert

As the sun has set on another great International Invitational, I would like to share some notes and comments about this year's II from the chair and others. First, I would like to thank Iowa Coursing Association (ICA) for stepping up (again) and putting on a spectacular event. I understand that this has been the largest entry since it was last held at the balloon field in 2016. There were 12 breeds represented as well as Singles and the largest LCI entry at an II so far.

ICA laid out three great course plans that used the land to challenge the hounds and in some cases the judges, to be true to the course and use all five categories to be judged by. If you have not been to the balloon fields, the up and down terrain tests the dogs' coursing aptitude and endurance. Those hounds who tend to "guess" where to go often found themselves lacking.

If you were not able to attend the II this year, you should check out the shots from our great photographers:

- Jessica Carlson, Flashpoint Photography (<http://flashpointphoto.com>),
- Mary Huff, Mary Huff Photography (<https://maryhuffphotography.com/>) and
- Shea Braune, The Golden Hound (www.thegoldenhound.com).

They were able to capture some dogs flying, some dogs smiling and even a dog or two lying on their back (I don't think the dog intended to be on his back after making a turn - but to each their own).

I would love to say the weather cooperated, but I know some people had to run out and buy a new tent after the Saturday winds blew down their tent. However, the rains cooperated by raining during the week preceding the event and allowing for good ground conditions. The sun shined down on us, but the temperatures stayed true and good coursing was had by all.

Speaking of cooperation, it does take a number of people to put on this event and members of the fancy from all over the country pitched in and helped make this event a success. This is one thing I like about hosting an II; one club does not do it all. It is members of the fancy who volunteer and provide their expertise that makes these events run - and run safely and efficiently.

While there were a number of winners (check out the score sheets posted on the ASFA II Facebook page - <https://www.facebook.com/groups/1046065245418921>). I would be remiss if I did not mention the winner of the Gillette Stake and Best in II winner. The runs were spectacular, and observers all had their picks, or suggestions of who to bring back to run off. The judges did their tough job and came up with a winner.

The winner of the Gillette Stake was Saluki - Suki, Owned by Lori Roberts. I understand it was a beautiful run.

There were 14 hounds that ran for the Best in the International Invitational; Cuest (PH), Titian (S), Minnie (G), Zhyra (RR), Ramisi (AZ), Mirage (S), Na'Vi Khan (AF), Rush (W), Munchkin (Ba), Calyber (PH), Bryce (B), Madyson (IB), Lizzie (Ba), and Keegan (W). The draws were made, the dogs blanketed, and owners prepped....as the courses were called up to the line you could hear the buzz from the gallery. The course was 1230 yards long, up and down the hills with left and right turns. Everything you would hope for in a run to pick the best hound of the event. On the sunny day of October 6th, the judges Matt Coughlin and Jennifer Gysler found the hound they considered earned the title "Best in II". That hound is the Rhodesian Ridgeback Zhyra, owned by Crystal and Jerry Slattery. -Scott Hurlbert

2024 International Invitational

Best of Breed Trophies Saturday

Afghan Hound

Gary Forrester Trophy

Gary was active as part of ASFA administration and on the field. One of the first all-breed judges in 1977, he continued judging until 1991; Chairman of judges licensing from 1978 to 1984; was a member of or chaired the following committees: AKC negotiation, computerization, reinstatements, budget, FAN, Constitution revision, rules' nominating, and several investigative committees of the board. He was 2nd VP 1978 to 1989, 1st VP 1980 to 1984, President 1984 to 1988 and the first Field Representative 1990 to 1991. He owned and lure coursed Afghan Hounds since 1974 – “Bandit” and “Piper”.

Basenji

Merv & Wilma Bauer (1920 – 1987) Trophy

Their untiring promotion of Basenjis contributed to ASFA's acceptance of the breed. They were active members of the Central Illinois Sighthound Club, and together they worked to advance Basenjis on the field and in the show ring. The motorhome, packed with a mini-bike for restringing a drag line, lure equipment, electricity, warmth and Basenjis, was a familiar and welcome sight at trials in the Midwest (including Carbondale, Illinois – at the first International Invitational).

Borzoi

“Locket” Trophy

Zaraya of the Wild Hunt, LCMXVII, bred by Ariel Duncan, owned by Leigh Littleton and Ariel Duncan, and chauffeured primarily by Leigh Littleton. #1 lure coursing sighthound in 1983 and 1984, #1 Borzoi in 1985 and again in 1988 as a Veteran, and continuously in the Top Ten from 1983 through 1989, Locket was winner of Best in Field at the 1983 Grand National Lure Course. Locket's goals in life were smiling at as many people as possible, playing the coursing game with intensity and follow, and killing as many lures as possible, and she did a great deal of each. Her last field trial was the 1992 International Invitational at Lexington KY, where at 10 years of age she took first place in the Veteran stake against competition; by this time, she was the only sighthound to have earned an LCM XVII, and had defeated over 2200 Borzoi.

Greyhound

Mike Lorenzo (1948 – 2008) Trophy

This trophy, featuring a brace of coursing Greyhounds, is dedicated to the memory of Mike Lorenzo. Mike and his wife Karen bred and trained many top lure coursing Greyhounds under the banner of the Winds Greyhounds, and over the years traveled many miles to compete against the best runners on the field. Mike was one of the most talented lure operators in the sport, and there was no equipment problem that could best him. He served as Regional Director from Region 9 from 2004 until 2007, and often served as Field Trial Chairman for several clubs. He conceived and co-founded the ASFA National Greyhound Specialty. Above all, he was richly deserving of that rarest of accolades: “sportsman”.

Ibizan Hound

Dean Wright

Dean was the president of the Ibizan Hound Club of the United States when the breed was accepted by ASFA in 1976 and recognized by the AKC for conformation in 1979. Dean has owned and bred Ibizan Hounds since 1967. He owned the first Ibizan ASFA Field Champion as well as the First Ibizan AKC Champion, both by the same hound, CH Sunking Eterna of Treybeau, FCh. Dean served on the ASFA board as a Regional Director for more than five terms and as First Vice President for two terms. He was the chairman of the Hall of Fame Committee. Dean remains very active in ASFA lure coursing.

2024 International Invitational

Irish Wolfhound

Kevin Bryson (1947 – 1999)

A familiar, friendly face behind the lens, Kevin Bryson was a devoted fan, an ingenious artist, and trusted friend within the sport of lure coursing. Creating some of our finest memories on the field, Kevin spent tireless hours working his photographic magic to give us the timeless moments we treasure. Kevin shared his life with his wife Jill, Irish Wolfhounds, a Whippet or two, and Leaping Lizards Professional Photography.

Italian Greyhound

Jack Downing /Teri Dickinson “ Whirlwind’s Italian Greyhound Trophy”

Breeding, showing, racing and coursing Italian Greyhounds under the Whirlwind prefix, Teri Dickinson and Jack Downing were instrumental in getting Italian Greyhounds approved as an ASFA breed, having performed breed presentations at several ACoDs and working tirelessly behind the scenes to promote their diminutive sighthounds from 1993 until 2001 when IGs were fully recognized. As part of their service to ASFA, Jack has served numerous times as Region 4 Director and as an all-breed ASFA judge and an accomplished lure operator, having been named Lure Operator of the Year in 2010.

Pharaoh Hound

George & Joyce Martin

George and Joyce were instrumental in the late 70s and 80s. George was the RD for Region 2 from 1985 – 1986. George attended Several ACoDs even when he was not the RD. They competed with their Pharaohs on the West Coast, and “Bandit” was their most notable Pharaoh Hound.

Rhodesian Ridgeback

Meg Willis-Redfern Perpetual Trophy

Meg is a long time Rhodesian Ridgeback breeder with the kennel name of Rare Earth Ridgebacks. Meg was instrumental in helping achieve recognition of RRs in the ASFA through her advocacy for the breed. From her breeding program, focused on form and function, to mentoring people in the RR breed about coursing, she led the change in making RR coursing a reality. Today, RRs are a huge part of coursing, both in large entries and the fact that RR owners are out working the trials in every capacity, including some of our top huntmasters, lure operators, and judges. She is a mentor and friend to many and has one of the best senses of sportsmanship in the lure coursing arena. Meg has been a strong advocate for the ASFA and believes deeply in the premise upon which the ASFA was founded.

Saluki

Bill Henry (1929 - 1983)

Bill was the 2nd VP – 1980 until his untimely death in Texas on January 9, 1983. An active judge and competitor on the field and a colorful “protest digester” on the board; may have been one of the only 2nd VPs to call an ACoD to order. President of Galveston Bay Saluki Club for many years and an officer (and active club member) of the American Saluki Association. Bill owned many top winning Salukis (bench and field) under the Henrad Kennel name.

Scottish Deerhound

Robert Sellers (1934 - 2002)

The Bob Sellers Memorial Trophy is offered in memory of Bob by his many friends in the lure coursing community. Bob, with his wife Norma, was the breeder of many top lure coursing Scottish Deerhounds under the Vale Vue kennel name. He was also a long-time ASFA judge and lure operator, and he served as President of the Scottish Deerhound Club of America. Vale Vue was the home of the first ASFA coursing trials on the East Coast, and Bob’s enthusiasm and love for lure coursing helped bring many new people into the sport over the years.

Whippet

Tom Leone (1917 – 1980)

Together with both his wife Betz, and his friend Lyle Gillette, was a solid part of ASFA’s formation and early years. He served as ASFA Treasurer from March 1976 to 1980. Sheridan Seabiscuit, UD was his 5th Whippet FCh. Tom was an active judge, lure operator, and always ready with a smile and calm demeanor.

Gillette Stake Qualifier & Best in Gillette Stake

Trophies

Borzoï Darkling Perpetual Trophy

Will be presented to the Borzoï earning the right to represent the breed in the Gillette Stake in memory of SilkenSwift Blaze's Darkfire. "Darkling", the #2 Borzoï on ASFA's Top Lifetime Achievement record, passed away on December 26, 2008. Darkling began lure coursing September 27, 1998 and retired almost eight years later on January 1, 2006. During that time, Darkling successfully participated in seven International Invitationals. He competed in ASFA trials in 16 states from Florida to Wisconsin, Colorado to Texas, Iowa to Pennsylvania, and from Delaware down the East Coast to his home state of Georgia. His record as #1 ASFA Borzoï in 2000 and 2001, as #2 Lifetime Borzoï, as well as his 69 Best of Breed wins, speaks volumes about his performance. But more significantly, we will never forget his noble presence and confident and peaceful demeanor when off the field.

Ibizan Hound Eterna Perpetual Trophy

The Eterna Perpetual Trophy will be presented to the Ibizan Hound earning the right to represent the breed in the Gillette Stake, in memory of Ch Sunking Eterna of Treybeau, FCh, LCM, who was owned by Dean Wright and Kathy O'Brien. Eterna was not even old enough to compete on the day that Ibizan Hounds were eligible to enter their first ASFA Field Trial on April 16, 1976. Eterna turned one year of age two months later in June and became the first Ibizan Field Champion. In January of 1979, when the breed was eligible to compete for an AKC Breed Championship, Eterna went to Florida in January along with 20 other Ibizan Hounds. Eterna did not place on the first day but earned 3 5-point majors on the next three days, making her the first AKC breed champion. Finally finishing her LCM at the age of 10, Eterna did truly combine form and function the way that it should be.

Irish Wolfhound Woople Perpetual Trophy

The perpetual trophy for the Gillette Stake was inspired by the memory of the past Irish Wolfhounds who demonstrated the beauty in the show ring and the drive in the field. Jill Bryson commissioned this trophy and dedicated it to her IW Woople, CH Franjo Pearla Dhu at Aeroglen, LCM, RA, RATI, TKN, VC.

Rhodesian Ridgeback Nitro Perpetual Trophy

This trophy is donated by Gayle A and Paul Kytta II in memory of BIF DC Rare Earth Top Fuel Eliminator, LCM7, VLCM4, GRC. JOR, MC, DC, CGC, TDI, TT, HIC, VC. Nitro was ranked nine times in the ASFA Top Ten Ridgebacks, achieving the #1 spot in 2010. He retired in 2016 as the #2 ASFA Lifetime Ridgeback and as the highest ranked male Ridgeback in ASFA history.

Whippet American Whippet Club Perpetual Trophy

Representing the breed in the Gillette Stake American Whippet Club.

Best in Gillette Stake Lyle Gillette (1910 - 1993) Trophy

The Father of organized lure coursing and ASFA. Tirelessly began promoting the sport in 1971; launched ASFA in 1972; Chairman '72 to '75; President '76 & '77. Without his vision and drive, we would not be here now celebrating the winners of this International Invitational.

2024 International Invitational

Best of Breed Trophies Sunday

Afghan Hound

“Bandit” Tamora’s Image of Ali CD LCM7 CAN FCHX TT

Bandit shared a home with Gary & Marietta Forrester in Pennsylvania. #1 Sighthound (all breeds) in '76, '77 and '78 and #2 lure coursing Afghan (Top Ten) as of 2011. Bandit has 1167 hounds defeated, 31 Best of Breeds, and 4 Best in Fields. That black & tan, always impeccably groomed, very calm – until slipped and then a burst of power with the black and tan coat flowing in the wind! “Bandit” actively competed for 6 years and was known to be flown to some trial sites by his own personal pilot, Gary.

Azawakh

“Cinnamon” Multi CH Kel Simoon Cinnamon, FCC

Cinnamon was the first Azawakh to fulfill the requirements of ASFA Field Champion. She was also a great show dog, a loving mother and a wonderful pet. Cin was tragically killed when she escaped from our yard in April of 2000. Her legacy lives on in her daughter, SBIS, Multi CH Kel Simoon Essari, FCC and her litter sister, SBIS, CH Kel Simoon Celie, FCC. These three dogs were the only Azawakhs awarded the FCC, before the breed was fully recognized.

Basenji

“Sheena” Patrician Sheena Crimson Art, LCM3

Sheena was owned by Dave and Carol Phelps of Maryland. #1 ASFA Basenji in 1988 and was #1 ASFA lure coursing Basenji of all time, as of 1989. Sheena proved that Basenjies were truly competitive! Sheena was a pet that everyone hopes they will have one day. Unless something was moving, she was perfectly content to lie in front of the wood stove on a cold day. On the field she ignored the other dogs, and all her attention was focused on catching the “bunny”. She squeaked and fought to be released when she heard the lure machine. All she wanted was to kill that bag at the end. Sheena would leap in the air to try to see where the bunny went if she lost sight of it. Sheena never did learn to “cheat”. Sheena helped change the attitude toward Basenjies as lure coursers.

Borzoi

“Pyerun” Caspian Prince Pyerun Duncan, LCM2 CANFCH

Owned by G Ariel Duncan. The first LCM Borzoi on Sept 17, 1977, and first LCM II Borzoi in April, 1979. Dubbed “the alligator” by many lure operators in the later years of competition, this red dog’s zeal for plastic set the standard for the others to follow.

Greyhound

“Fantasy” Treybeau’s Fantasy, LCM 7 (March '84 – Sept '91)

Fantasy lived to run, and with Dean and Sandy Wright’s help, she loved living. She began accruing lure coursing titles with a FCh in 1985 and finished her LCM 7 in '91. She was #1 lifetime Top Ten coursing Greyhound (1995); 847 hounds defeated, 133 BOBs, 30 BIFs, 151 Firsts, 2394 ASFA points, and ASFA Top Ten every year from 1985 to 1991, seven years and #1 for six of those years from '85 to '90. “THE PAST IS ONLY A MEMORY AWAY”.

Best of Breed Trophies Sunday *(continued)*

Ibizan

“Flyer” Treybeau’s Spanish Flyer, LCM3

Flyer was one of the first three Ibizan Hounds to compete in an ASFA trial at Vale Vue Kennels in 1976. Flyer was the first Ibizan Hound to earn the LCM title and was an original inductee into the ASFA Hall of Fame. Flyer was in the ASFA Top Ten ASFA 1976 to 1982; #6 Lifetime Ibizan in 1995 with 461 dogs defeated and 24 Best of Breeds. Flyer proved to all that you run on your heart and the desire in your head. It makes no difference as to your conformation.

Irish Wolfhound

“Joshua” CH Just Plain Joshua Murphy, FCH

Josh was owned by Deborah Keplinger Sanders and bred by Dr Paul Palmer. Josh was the first Irish Wolfhound Field Champion (1974) and the first Irish Wolfhound Dual Champion. He received his AKC conformation championship two weeks after finishing his ASFA Field Championship. Josh is the only Irish Wolfhound to achieve his FCh under the original ASFA format, having to earn his points competing against Greyhounds, Salukis and Whippets. In the beginning, before ASFA instituted breed stakes, the dogs competed in mixed stakes determined by a random draw which included all breeds entered in the trial.

Italian Greyhound

“D” FCC DC Whirlwind Blew By You LCM VFCh OA NAJ JOR VCM

“D” was an IG lure coursing pioneer. Born in February 1995, he ran in his first trial in March 1996, the year IGs were admitted to the Miscellaneous Stake. Famous for both suicide bunny kills and sideline histrionics, his durability and enthusiasm opened the mind of many a skeptic. He coursed in an era when the Miscellaneous Stake was optional and not offered at all trials. Competitors were few and far between. Despite that, he earned enough points to meet ASFA Field Champion requirements three different times. He was first awarded a Foundation Coursing Champion title, then after a rule change, earned the Miscellaneous Field Champion title. After IGs reached full recognition in mid-2001, he went on to earn Field Champion, LCM and Veteran Field Champion titles. His first entry in a standard ASFA stake was in the veteran’s stake at the 2001 II. Among D’s groundbreaking accomplishments were - first IG to earn an ASFA title, and the first IG dual titlist. He was the #1 Lifetime Miscellaneous Under 18” from 1996-2001, the entire duration of IGs competing from that stake, the #1 Miscellaneous Under in 1997, and a member of the IG Top Twenty every year from 1996 – 2004. “D” ran his last trial in 2006. Breeder/Owners Teri Dickinson & Jack Downing.

Pharaoh Hound

“Bozo” CH Kamaraj Ra-Harakhte, LCM 6, CAN FCH

Bozo was owned by Frank Belinowiz of Massachusetts. Bozo is the only LCM 6 Pharaoh to date (2-94). #1 lure coursing Pharaoh ending 1989. A lure operator’s worst nightmare. The BOZO Trophy is to honor all Kamaraj Pharaoh Hounds in the past, such as: BOZO, #2 Lifetime Ranking Pharaoh Hound; Tiye Tu, 1999 BIF at the II; Luxor the Brod, 2001 Gillette Stake Winner; Seeker “Shut Up”, Hall of Fame.

Rhodesian Ridgeback

“Ida” BII FC Redwing’s Private Idaho LCM13 VFCH SC CGC

Ida was owned by Chuck Harper and Jeff Nearhoof. Bred by Sue and Dick Kaehler. In a crowded field of great coursing Rhodesian Ridgebacks, “Ida” has left a lasting impact on the sport. Blazing a coursing path since 1999 through 20 different states, she has set many records and often had been a pioneer, most notably as the first Ridgeback to go beyond LCM 5. Ida won Best in International Invitational in 1999, was the #1 Ridgeback for 1999, 2000, 2001 and 2002, and remained in

the Top Ten for 2003 and 2004. She also went BOB at four non-consecutive IIs, and seven Regional Invitationals in four different regions. Ida has been #1 Lifetime Ridgeback since 1999.

Saluki

“Haseeb” Sur-Ra Haseeb Amon Kahtahdin, LCM 8

Haseeb was owned by Dean Wright & Janis Copenhaver. Haseeb was the Number 1 Lifetime Saluki ending in 2000, with 976 hounds defeated, 56 Best of Breeds, and 13 Best in Fields. He made it look so effortless and easy over his many years on the field. Haseeb competed in 365 ASFA trials, plus some trials in Canada. Haseeb was a loner at home, preferring to do things alone. He would play for hours with an old football, throwing it in the air and chasing it.

Scottish Deerhound

“Pyns” AM/CAN CH Pibroch’s Pyns Of Vale Vue LCM

AmCanCH Pibroch’s Pyns of Vale Vue, LCM, owned by Norma & Robert Sellers of PA #4 lure coursing SD of '89.

Whippet

Betz Leone (1918 – 1993)

The “first lady” of ASFA, helped put together the first ASFA lure course on school grounds a stone’s throw from her home in California and continued to be an active judge and handler throughout her lifetime. She was the FAN co-editor and printer (crank-style) beginning in 1974 and continuing for several years, served as Regional Director from 1981 to 1984 and 2nd VP in 1986 & '87. Always willing to help, always with a smile, always the lady.

2024 International Invitational

Best in International Invitational

Trophies

The President's Cup

The President's Cup is offered in memory of ARNOLD ROSS who served on the ASFA Board as President in 1978 and 1979. Arnold competed on the West Coast with his Whippets. Ross was ASFA President when the first ASFA International Invitational was held in Carbondale Illinois. This was a one day II on Saturday, with the top hounds of each breed competing for top honors on Sunday. Today, Best of Breed hounds, from both days of the II, compete in the Best of International Invitational.

“Links to the Past”

The remarkable “Links to the Past” II Chain was awarded for the first time at the 2007 International Invitational' a truly fitting tribute to the 35th Anniversary Year of the ASFA. It is absolutely spectacular.

This truly unique trophy was the brainchild of Kathy Nelson and Jack Helder and was purchased (and is maintained) by individual donations from ASFA clubs and their memberships.

The “Links to the Past” Best in II Trophy is hand-crafted in sterling silver and is comprised of a chain bearing engraved links that recognize every Best in II hound in ASFA's history, stretching back to the first II in 1976. The hound's name is on one side, and the year on the other. The trophy links every former Best in II hound within one exceptional trophy. It remains in the possession of the ASFA President for presentation at IIs and is displayed in a case to protect the chain. Best in II hounds, and those who owned a former Best in II winner, can purchase an engraved sterling silver “take home link” – for a donation toward the future costs of maintaining this one-of-a-kind historical record – to us in display or as a piece of jewelry.

Comments from the International Invitational Judges

Sandra Moore

Thank you to the fancy for the privilege of judging at the 2024 ASFA II. The clubs involved and the ASFA Board did a fantastic job with the hospitality, the fields, the lure operators, huntmasters, and the crew that it takes to run a flagship event.

As always, it was an honor to watch your dogs course, and a pleasure to see all the "old" faces and also put faces to people that are newer. It takes a village to keep our events afloat, let's all keep on being part of that village! I hope to see you all at next year's II too!! - Sandra Moore

Jennifer Gysler It was truly an honor to judge the ASFA II this year. The event was so well run, and the volunteers gave their all so the dogs and the exhibitors would have a great time. Mission accomplished!

This year, in addition to judging some amazing sighthounds, I had the opportunity to judge the LCI dogs on one of the days. I was impressed and had a blast watching these dogs run.

And the sighthounds - just wow! The fields offered a variety of terrain, elevation and some fun course designs allowing these sighthounds to dig in and chase!

To cap it off, I was delighted to judge the Best in Event - the best hounds from the entire event. They did not disappoint. In the end the Best in Event winner was a Ridgeback which gave everything in the last run. I would like to thank the host club, Iowa Coursing Association, and all of the volunteers, as well as the exhibitors and their competitors for a wonderful II. See you on the field! -Jennifer

The II judging panel also included Ann Billups, Matt Coughlin, Karen Frederick, and Dan Heidel.

The 50th Anniversary of CLCA's Grand National

Logo by Laura Garabedian

The Grand National is the original premier national lure coursing event. It has been hosted annually by the Colorado Lure Coursing Association (CLCA), and was run for the 50th time on September 13–15, 2024. The 50th Year Anniversary running was dedicated to CLCA's Founders and Key Members from over the past half century. The 50th Anniversary Grand National event catalog contains information about the club's founding and history, and it acknowledges the founders and those who have contributed to the club over the years. The catalog and can be found at https://www.clcaonline.com/Catalog_GN_50th.pdf

The objective of the Grand National is to bring together the finest lure coursing sighthounds from the continent and to provide for them a challenging test of their relative abilities on a demanding and extended series of courses. The emphasis is on the individual breeds with each Best of Breed winner running approximately two miles during the two-day period to earn this title. In order to match various breeds against each other in competition, there is a Best-in-Event run-off of approximately one mile, depending upon field conditions.

Judges Frank Cassano, Pete Lowe, Deann Britton, Tom Golcher, and Matt Coughlin

The Walking Start is used traditionally at CLCA trials.

Right: Borzoi Nochka released by Anna Isaacs.

The Grand National is held annually in Peyton, Colorado, which is in the Pikes Peak region of Southern Colorado. The altitude is around 7000 feet, which is not expected to affect the dogs. The Grand National includes 3 days of ASFA sanctioned trials (LCI stake is limited to first 2 days), followed by the Grand National Best-In-Event, which is not ASFA sanctioned. The Grand National Best In Event course consists of about a mile of challenging terrain and is created by joining 2 courses together.

Eligibility to compete in CLCA's Grand National Best-In-Event is limited to those hounds that have won Best of Breed on Friday, Saturday, or Sunday and have competed in two of the three ASFA trials, Sunday being mandatory. Six courses of hounds competed in the 2024 Best In Event competition. The winner was Silken Windhound "Reaper", Regalant Point Of Inquiry, owned by Kathryn Houghton and Ash Hill.

The companion Grand National Best in Event for High Scoring Singles, was won by Rhodesian Ridgeback "Flynn", Piney Creek Old Town Road, BCAT,CGC,TKN, owned by Kerri Baez.

GONE

Gazehounds of New England

Report from New England by D Pei Wu

2024 was a good year for GONE. At least 13 dogs owned by GONE club members and other dogs based in New England gained new titles this year, from among the 11 sighthound breeds and the diverse array of LCI dogs that regularly compete in our ASFA trials. We held our Late Summer ASFA trials over Labor Day Weekend at the beautiful Wolfwind Farm in Starkville, New York, hosted by Gina and Rich Whritenour. Our Autumn trials were held on October 19-20th in Griswold, Connecticut at the beautiful Kinnie Farm. Congratulations to all the hounds and their handlers for running in 2024, and best wishes for a successful season in 2025. We hope you enjoy our pictures!

ASFA has a Zoom account that is available for clubs and board members to use.

- Only one meeting can take place at a time.
- This is a paid account so there are no time limits.
- Meetings can be recorded.

There are 2 ways to set up your meeting.

1. I can set this up for you. Email me with a date and time. I will send you the meeting location info to distribute to your attendees.
2. I can give you the login credentials. A time for this has to be arranged because Zoom will detect a new login and I will have to have my phone handy to send you a verification code. This only happens the first time and then you are free to access Zoom when you want.

Contact Cathy Sanderson at asfa.cathysanderson@gmail.com or at 705-380-5308 (Canadian number).
